ABOUT ME

My name is Mubashir Ali, son of Muhammad Hussain, a passionate and enthusiastic professional in the field of technology. I have completed full courses in both Front-end Web Development and Digital Marketing from reputed institutes.
I am skilled in Front-end technologies such as HTML5, CSS3, JavaScript, Bootstrap, React.js, and version control tools like Git/GitHub, which allow me to design and develop modern, responsive, and user-friendly websites.
Alongside development, I have strong command in Digital Marketing, including SEO (on-page & off-page), Social Media Marketing, Google Ads, Facebook Ads, Email Marketing, and Content Creation. I understand how to grow brands online using the latest strategies and tools.

EXPERIENCE

Web development
iDEO College Lahore   • **2024–2025**

I'm a Full-Stack Web Developer with experience in HTML, CSS, JavaScript, React, and Node.js. I build responsive and user-friendly websites that are fast, functional, and customized to client needs

digital marketing
iDEO College Lahore   **2024–2025**
